VETERAN WARRIOR FOR MICHIGAN

Here's what those who served in the military with Jonathan Lindsey say:

"Jonathan and I served together on an "A-Team" in the U.S. Army Special Forces for several years. Even among the elite green berets, Jonathan was exceptional. He was chosen over his peers for sensitive missions of strategic importance overseas, due to his competence, professionalism, and extraordinary work ethic. I'm proud to have served with Jonathan. Michigan is lucky that Jonathan has chosen to continue his selfless service in your Senate."

**Special Forces Team Sergeant
Master Sergeant Jim Munger,
U.S. Army, Retired**

"I was Jonathan's Senior officer during his deployment in Afghanistan. Despite Jonathan being the most junior member of the team, we knew he was the right man to lead major parts of our mission. His command of foreign languages and keen problem solving made him an invaluable asset. I am proud to have served beside Jonathan and I know he will bring the same skill and dedication in serving the people of Michigan."

**Special Forces Team Sergeant
Master Sergeant Nathan Tinnin,
U.S. Army, Retired**

"Our republic desperately needs a statesman with a love of country and a desire to serve it selflessly. Jonathan Lindsey is uniquely capable of providing that leadership. Having witnessed his selfless service during his time as a green beret, I know Jonathan will put his mission first while serving the people of Michigan. He will serve and lead with principled conviction, providing a leader the great people of Michigan need and deserve."

**Special Forces Medic
Sergeant First Class Chris Cypert,
U.S. Army, Retired**
