## UNHINGED AND UNFIT

Kim Zito is unhinged and unfit to lead. We need a leader, not someone who posts unhinged rants on Facebook constantly, calling people names, using foul language, and supporting woke, radical politics.

### KIM ZITO'S UNHINGED FACEBOOK RANTS

- ✗ Kim Zito said she is “ashamed” to live in America.<sup>1</sup>
- ✗ She wrote that the Catholic church “needs to go extinct.”<sup>1</sup>
- ✗ Kim said transgendered men playing in women’s sports is a “manufactured problem.”<sup>1</sup>
- ✗ She also said she didn’t think the national debt was a “real concern.”<sup>1</sup>

We can do better than unhinged Kim Zito.
